

European Technical Championship 2026

Eindhoven, The Netherlands
Wednesday 1st of April until
Sunday 5th of April 2026

We proudly welcome you!

NBTF the Netherlands is proud to host the European Technical Championship 2026. In this brochure, you'll find all the information to help make your stay both comfortable and unforgettable.

As athletes ourselves, we understand how important it is to feel at ease during a major competition. That's why we've teamed up with a professional tour operator to assist you during your visit. Their contact details can be found at the end of this brochure and at the bottom of this page.

Discover the Netherlands

The Netherlands is known for its flat landscape, much of it lies below sea level. Visitors are drawn to our vibrant cities like Amsterdam, The Hague, Rotterdam, Delft, and Utrecht. But the countryside also has its charm, from the fishing village of Volendam to the windmills of Kinderdijk, and the canal-filled village of Giethoorn, often called the "Venice of the North."

Our country is famous for tulip fields, windmills, cheese markets, wooden shoes, and Delft Blue pottery. And of course, we're also home to Heineken, one of the world's best-known beer brands. The Netherlands is also a true Cycling Nation, with over 32,000 km of bike paths. Thanks to our flat terrain, cycling is safe, easy, and one of the best ways to explore the country.

Enjoy every season

Every season offers something special:

- Winter: ice skating on frozen canals
- Spring: blooming tulips
- Summer: ideal cycling weather
- Autumn: rich culture and cosy cities

This is just a glimpse of what the Netherlands has to offer. We're proud to welcome you, and although the Championships are short, we hope your experience here will stay with you for a long time.

Thank you for your interest. We look forward to seeing you soon!

Best of luck with your selections!

Good luck with the elections, and we hope to welcome you soon!
